

2012 EXPLORER

Drive one.

Thank you for your interest in the new 2012 Explorer. Included in this brochure you'll find information about:

CAPABILITY: 2012 Ford Explorer is the most capable Explorer ever. There's the available Intelligent 4WD System and Terrain Management System™. Curve Control, an enhancement to AdvanceTrac® with RSC®, delivers enhanced control in turns.

PERFORMANCE: 2012 Explorer offers the available new 2.0L I-4 EcoBoost™ engine, delivering the power of a V6 in a 4-cylinder engine. The standard 3.5L V6 engine features EPA-estimated 25 highway mpg, 290 horsepower and 255 lb.-ft. of torque.

SMART: Ford engineers have designed incredibly innovative and smart features into the Explorer. The world's first inflatable rear safety belts. Available Collision Warning System, BLIS® with Cross-Traffic Alert, Intelligent All-Wheel Drive. And more.

TECHNOLOGY: Explorer has a lot of high-tech intelligence to make life on the road a whole lot easier, such as available SYNC® with MyFord Touch™* – the easy-to-use in-car connectivity system. Available voice-activated Navigation System too.

EXPERIENCED MY FORD YET? Get an inside look at the benefits of Ford ownership at the my Ford owner web site. It's a one-stop spot for managing important vehicle information – 24/7, whenever you need it. It's free to register for personalized maintenance schedules, incentives and offers, and much more. You can even access your Ford Credit information and online bill payment services. Log on to www.myford.fordvehicles.com to get started.

It's everything you never knew your SUV could be.

Explorer is completely redefining the SUV. Imagine getting fuel economy even the hybrid competition can't beat – that's 28 mpg hwy¹ with the all-new 2.0L EcoBoost™ engine². Take calls² without picking up your phone. Summon songs² without touching your media player. Maximize traction with the turn of a dial.² Explorer offers smart systems² to help you back out of parking spots and change lanes safely, parallel park quickly and more, including the world's first inflatable rear safety belts² in automotive production. Take a new path to adventure in the 2012 Explorer.

Limited. White Platinum Metallic Tri-coat. Available equipment.

¹EPA-estimated, FWD. Class is Large Utilities vs. 2011/2012 competitors. ²Available feature.

2012 EXPLORER ford.com

Gets the best hwy mileage in the class.

Introducing the all-new 2.0L EcoBoost™ I-4 engine.¹ Equipped with this state-of-the-art, turbocharged, direct-injection powerhouse, the 2012 Explorer provides power when you need it while pushing mileage to the max: 28 mpg hwy² is the absolute best of any non-hybrid engine in the class. A 6-speed automatic transmission helps EcoBoost deliver plenty of low-end torque for acceleration and passing, plus outstanding fuel economy while cruising. Spirited and smart – you can have it all with EcoBoost.

XLT. Red Candy Metallic Tinted Clearcoat. Available equipment.

¹Available feature. ²EPA-estimated, FWD. Class is Large Utilities vs. 2011/2012 competitors.

2012 EXPLORER ford.com

Dials up your control. Any road. Any time.

Challenging conditions? Simple solution: Just turn the dial to match the scene outside. Our highly capable Terrain Management System™¹ is paired with Intelligent 4WD¹ to give you seamless shift-on-the-fly confidence. It's one more way the 2012 Explorer takes you everywhere you want to go.

-  **Mud, Rut** lets the tires spin a bit if needed to help you keep moving.
-  **Snow, Gravel, Grass** optimizes grip on all sorts of slippery surfaces.
-  **Sand** allows aggressive wheel spin to help you stay on top.
-  **Normal** is ideal for everyday on-road driving.
-  **Hill Descent Control™** regulates your speed on steep declines with just the push of a button.

¹Available feature.

Delivers hwy mileage and power no V6¹ can beat.

Explorer sets extremely high standards with its 3.5L Ti-VCT V6 engine. It gets the best hwy mileage of any V6 in its class – 25 mpg – and it supplies an unsurpassed 290 horsepower too. Twin independent variable camshaft timing (Ti-VCT) adds an extra measure of precision, contributing to fuel efficiency or power output as your input demands. For a truly engaging drive, take control of the shifting via our 6-speed SelectShift Automatic™. Not in the mood? Let it choose the best gear for you. This sophisticated transmission, paired with the Class III Trailer Tow Package,² also helps Explorer tow up to 5,000 lbs.³ so you can go all out on your adventures.

Limited. White Platinum Metallic Tri-coat. Available equipment.

¹EPA-estimated 25 mpg hwy, FWD. Class is Large Utilities, non-hybrid vs. 2011/2012 competitors. Excluding other Ford Motor Company vehicles.

²Available feature. ³When properly equipped.

Drive one.

2012 EXPLORER ford.com

Hands control the wheel. Voice controls the rest.

No more searching for your phone. No device on your ear. Connect to your world with voice-activated Ford SYNC®¹ Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod®. And thanks to Bluetooth® streaming audio,¹ smartphone users can listen to Pandora® internet radio too. Just touch a button on the steering wheel and say things like "Call Melissa," or "Play genre: Pop." SYNC also offers 911 Assist™ and with an activated SYNC Services account you get business searches,¹ turn-by-turn driving directions,¹ custom traffic alerts¹ and more. Personalize your experience at SyncMyRide.com.

Limited. Charcoal Black leather trim. MyFord Touch™ Available equipment.

¹Available feature. Requires compatible mobile device. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Text message and data rates may apply.

Pulls it all together: MyFord Touch.

Simple spoken commands. Vibrant color-coded menus. Our voice-activated SYNC^{®1} with MyFord Touch^{™1} gives you ultimate control over your entertainment, phone, navigation and climate. Display your favorite photos. Create a Wi-Fi[®] hotspot for your passengers. You can even connect it to popular game consoles.² MyFord Touch includes SYNC Services, an 8" LCD touch screen in the center of the action, a media hub, 2 LCD screens in the gauge cluster and familiar 5-way controls on each side of the steering wheel. It's all about keeping your hands on the wheel and your eyes on the road.

Entertains you – and your friends.

MyFord Touch makes it easy to access your music and photos from a USB drive, an SD card, a portable hard drive or almost any device you plug into the media hub. Even connect a video cam to show off the footage you just shot of your star player's big game.²

Makes the most of your contacts.

Now you can “see” who's calling when MyFord Touch displays your phone book contact photos. To check local movie times, today's horoscopes, stock quotes and more, just call upon our exclusive SYNC Services, anytime day or night.

Navigates like a pro.

Upgrade to the Navigation System³ for interactive maps with 3D landmarks, plus an Eco-Route option on the turn-by-turn directions. A 6-month trial subscription to SiriusXM Satellite Radio, Traffic and Travel Link delivers over 130 channels of unique content, plus live infotainment services including local fuel prices, weather reports, sports scores and more.⁴

Instantly adjusts your climate.

With one touch of the MyTemp button, the system recalls your preferred temperature setting. Heated seats,³ fan speed and other climate-related features are easily accessible from the same screen. Select climate controls are also located beneath the touch screen for quick access anytime.

Multitasks with Bluetooth.

No cords required. MyFord Touch is designed to be paired with your Bluetooth[®]-enabled mobile phone for hands-free calls and music. So you can listen to your MP3s, plus make and take calls without ever touching your phone.

¹Available feature. Requires compatible mobile device. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. ²Some features are only available when the vehicle is in Park. ³Available feature. ⁴SiriusXM Satellite Radio, Traffic and Travel Link subscriptions sold separately or as a package after trial expires. SiriusXM Traffic and Travel Link service available in select markets. Subscriptions are governed by SiriusXM Customer Agreement; see www.siriusxm.com.

Senses what you may not see.

Simplifies lane changes and backing up.

Stop craning your neck trying to see what's in your blind spots. BLIS® (Blind Spot Information System) with cross-traffic alert¹ scans them for you. Just check your sideview mirrors² before changing lanes. An amber light means the system senses a vehicle in your way. It can also sense traffic approaching while you're slowly backing out of a parking spot. If it detects a vehicle in your path, the system sounds a warning, alerts you in the message center, and flashes a light in your sideview mirror.

Maintains your cruising distance.

Space is a good thing. Especially on the highway. Adaptive cruise control and collision warning with brake support¹ uses radar sensors to help maintain your choice of 4 preset gaps from the vehicle in front of you. It also uses those same front sensors to alert you to a potential collision. If one is detected, it flashes a warning across your windshield and sounds an alarm, providing extra time for you to apply the brakes. The system also pre-charges the brakes and increases brake-assist sensitivity to provide full responsiveness when you brake.

Distances shown based on a speed of 60 mph.

Limited. Ingot Silver Metallic. Available equipment.

¹Available feature. ²BLIS replaces standard integrated blind spot mirrors.

Drive one.

2012 EXPLORER ford.com

Comforts through every season.

Warm summer day? Standard seating for 7 provides plenty of room to breathe with best-in-class¹ 1st- and 2nd-row head room, plus unsurpassed 2nd- and 3rd-row leg room. A dual-panel moonroof² floods the space with fresh air. Blustery winter evening? 10-way power, heated and cooled front seats² keep you comfortable. Environmentally friendly, soy-based foam in the seat cushions and seat backs helps conserve limited resources and reduce CO₂ emissions. This sustainable material joins recycled content, soft-touch surfaces and premium trim – all crafted to world-class standards for fit and finish – in a graceful design you'll appreciate in any climate every day of the year.

Limited. Charcoal Black leather trim with Pecan inserts. Available equipment.

¹Excluding other Ford Motor Company vehicles. ²Available feature.

2012 **EXPLORER** ford.com

Steers you into the sweet spot.

That's right. First, active park assist¹ uses ultrasonic sensors to help you locate the perfect parallel parking spot. Then, you take your hands off the wheel and your Explorer steers itself into place. You simply follow system prompts to shift gears and control the brake and accelerator pedals. The vehicle can be parked in as little as 24 seconds. Available exclusively on Explorer Limited.

Limited. White Platinum Metallic Tri-coat. Available equipment.

¹Available feature.

Drive one.

2012 EXPLORER ford.com

Ready for 2.5 tons of fun.

That's an abundant 5,000 lbs. When equipped with the 290-hp 3.5L Ti-VCT V6 and the Class III Trailer Tow Package,¹ Explorer is geared up for adventure. You'll tow with the utmost confidence thanks to standard trailer sway control (TSC) and hill start assist. When trailer sway is detected, TSC automatically reduces engine speed and selectively applies the brakes to help you maintain control of both the vehicle and the trailer.² Hill start assist is particularly useful on boat launch ramps since it helps prevent you from rolling downhill when you take your foot off the brake. Whether heading up an incline in Drive or in Reverse, you're covered.

XLT. Dark Blue Pearl Metallic. Available equipment.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

2012 EXPLORER ford.com

Increases your grip through the turns.

We all have our challenges. Whether yours include mountain switchbacks or freeway on-ramps, it can be easy to misjudge a turn. And you need to slow down – quickly. That’s when you’ll really appreciate Curve Control. As the latest enhancement to our AdvanceTrac® with RSC® (Roll Stability Control™), it’s standard on every Explorer. Curve Control actually senses when you’re entering a turn too fast and can apply 4-wheel braking and reduce engine torque to help slow the vehicle by as much as 10 mph in about a second.¹ It helps you stay in control on both wet and dry pavement.

Award-winning level of protection.

Explorer is the first and only vehicle in automotive production with inflatable rear safety belts² for the 2nd-row outboard seating positions. Designed to help reduce the risk of injury in the event of a frontal or side collision, they deploy in less than a blink of an eye and distribute pressure across more of the occupant’s torso than a traditional belt. They’re also compatible for use with most child-safety seats. This Ford-exclusive innovation has earned multiple awards including the 2011 Traffic Safety Achievement Award from the New York International Auto Show’s World Traffic Safety Symposium.

“Top Safety Pick” – only the best will do.

Travel with confidence knowing Explorer has attained the highest possible rating from the Insurance Institute for Highway Safety (IIHS) for 2011. In fact, no other brand offers you more 2011 “Top Safety Pick” vehicles than Ford. Our engineers are constantly developing and advancing safety technologies to help give you peace of mind out there on the road.

Limited. Red Candy Metallic Tinted Clearcoat. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.

2012 EXPLORER ford.com

Lots of ways to make it yours.

Take advantage of versatile standards to make your life easier. Stow all sorts of cargo with flexible seating configurations and a flat load floor. Even transport long objects inside. Add options to help make backing up, changing the seat arrangement and loading cargo easy. Create the Explorer you want, just the way you want it.

- Extra-deep 21-cu.-ft. cargo area behind 3rd row¹
- Rear view camera²
- PowerFold® 3rd-row seat²
- Power liftgate²
- 2nd-row 60/40 split-fold seat

¹Including rear seat well. ²Available feature.

New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. □ **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. □ **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. □ **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. □ **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
