Super De Luxe Radio— Manual Antenna

... modernized with fully transistorized chassis that requires no warm-up period. Dial escutcheon and push buttons restyled ... name "Delco" added to dial. (1) (FD)

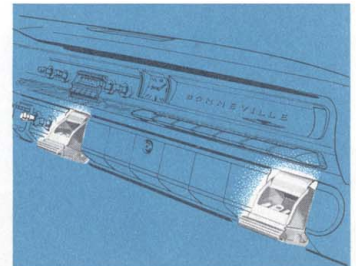

Glove Compartment Lamp

... find what you want in a jiffy ... compartment lights automatically when door is opened. (6) (FD)

Instrument Panel Courtesy Lamps (Std. on Catalina Convert. and all Bonneville models)

... driver and passengers enter and leave the car safely and conveniently at night ... lamps flash on when front door is opened. Can be operated manually by switch on instrument panel. (6) (FD)

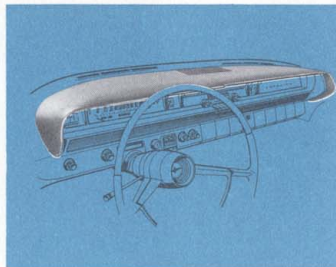

Cigar Lighter and Ash Tray Lamps

... glow automatically when parking lights or headlights are on ... become visible when ash trays are pulled out ... when lighter plug is removed. (6) (FD)

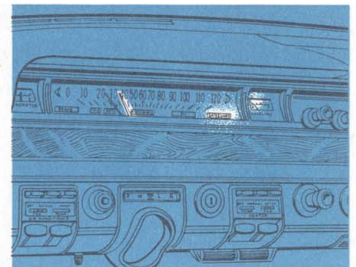

Windshield Washers

... a push of a button and two streams of fluid jet on the windshield. Dirt and grime are swept away by the windshield wipers. (5) (F)

Instrument Panel Pad (Std. on Grand Prix and Bonneville)

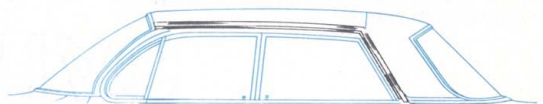

... pad is finished in beautiful, durable Seville grain vinyl which harmonizes with interior color scheme. Padding is resilient, long-lasting foam. (5) (FD)

Safeguard Speedometer Indicator— Fuel Level Lamp

... provides warning of excess speed and low fuel. Simple dial knob lets you select desired speed limit—buzzer sound and amber caution light. Red light reminds you to refuel. (5) (F)

The Decor Option of De Luxe Wheel Discs, Custom Steering Wheel, and Instrument Panel Ash Tray illustrated above is available for all Catalina models including the Catalina Convertible Coupe. The special Custom Exterior Trim shown here at right is **not** available on the Catalina Convertible Coupe because none is required.

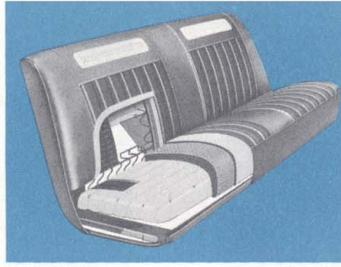

Catalina Vista Custom Exterior Trim ... that features bright metal roof drip moldings both sides. (7) (F)

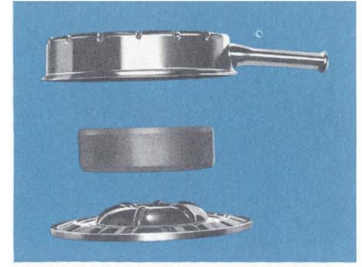

Dual Speed Electric Wipers

... extra-large 18" overlapping wipers clear middle windshield area for greater all-around visibility. Blades electrically driven ... operated at two speeds. (1) (2) (F)

Custom Foam Cushion—Front Only

... the ultimate in luxury motoring comfort. Custom lounge 1¾" foam pad ... reduces road shock ... affords a more relaxing ride. (1) (2) (F)

Heavy Duty Air Cleaner and Silencer

... helps assure longer engine life ... protects intricate parts of your engine from dust and dirt particles. (1) (2) (F)

Parking Brake Warning Lamp

... light mounted on lower left side of instrument cluster flashes a bright red warning when ignition is turned on and parking brake is set. Light continues on until brake is released. (6) (FD)

Dome Reading Lamp

... passenger can read at night without disturbing driver. Concentrated spot beam swings a full 360°. (6) (F)

Luggage and Utility Lamp (Sedans and Coupes)

... automatic lighting when trunk is lifted. Lamp lifts from bracket and has about 17 feet of self-storing extension cord. (Underhood and Utility Lamp Unit available on all Safaris.) (6) (FD)

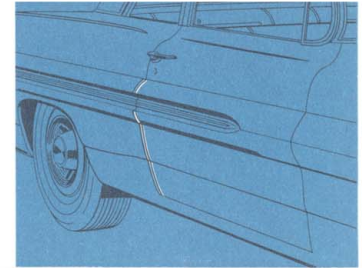

Floor Mats (Front and Rear Compartments)

... help keep car looking like new by protecting carpet ... especially during winter. Easily removed for washing. Available in harmonizing colors. (3) (FD)

Spare Tire and Wheel Cover

... dresses up your luggage compartment ... protects luggage from marring and scratching. Easily slips on and off. Standard on Bonneville, available for all other models. (Exc. Safari.) (3) (FD)

Pontiac Door-Edge Guard

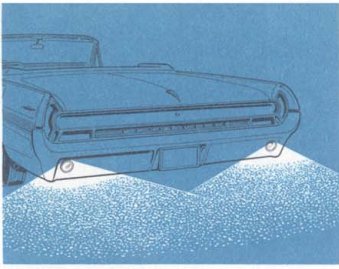

... gleaming, stainless steel strips that help prevent nicks and scratches on the edge of the door ... add beauty to exterior. (3) (FD)

Catalina Sports Sedan Custom Exterior Trim ... that features bright metal door and rear side window moldings as well as a rear belt finish moulding. (7) (F)

Catalina Sports Coupe Custom Exterior Trim ... that features a bright metal drip moulding along edge of roof. (7) (F)

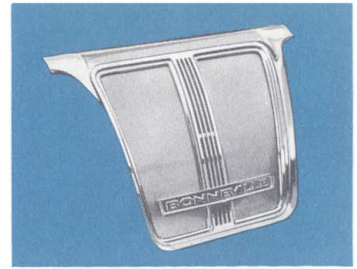

Back-Up Lamps

... light up automatically when you shift to reverse, illuminating area behind car. Added safety for driver, pedestrians, and other motorists. (1) (2) (FD)

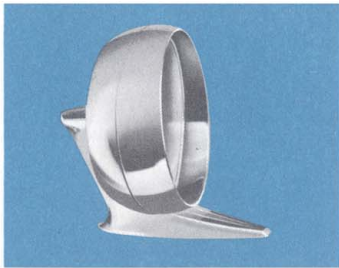

"Wonder Bar" Radio and Manual Antenna

... actually hunts out the strongest stations and tunes them in automatically. Manual antenna on right fender. (2) (FD)

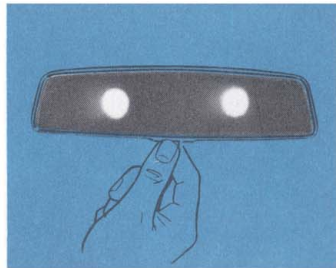

Separ-Phonic Rear Seat Speaker System

... stereo-like listening in the car. Brilliant tone quality and control. Three-step switch lets you play through front, rear or both speakers. (2) (FD)

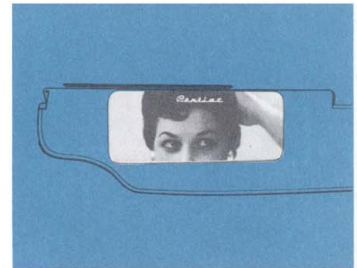

Remote Control Mirror

... is easily adjusted from inside the car. Sharp styling, front surface chrome plated to guarantee sharp, clear image ... no blurring or ghosting. (4) (FD)

Inside Non-Glare Tilt Mirror

... flip of a tab eliminates hazard of blinding lights approaching from the rear. Tabs are plainly marked "night" and "day." (4) (FD)

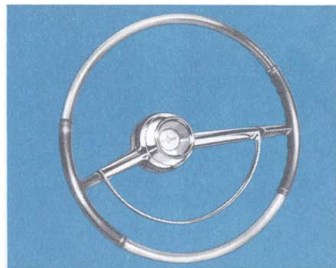

Visor Vanity Mirror

... clips easily to back of visor ... ready for use any time. Out of sight when not in use. (4) (FD)

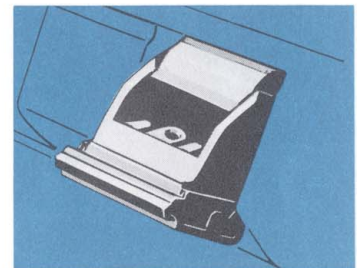

De Luxe Wheel Discs (Catalina models only)

... chrome flashed stainless steel discs feature six depressed "V" grooves ... new design of the outer rim. (7) (FD)

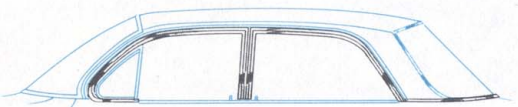

New Custom Steering Wheel (Catalina models only)

... recessed hub styling with double hand-grip sections in metallic pearl plastic, and upper-lower rim in transparent colors over chrome ... horn ring handy to reach. (7) (FD)

Right-Hand Ash Tray (Catalina Decor Group only)

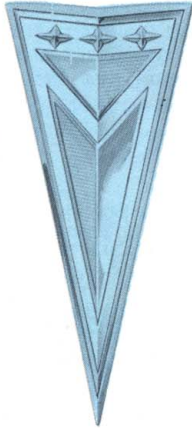

... handy snap-out ash tray on right side of instrument panel ... a real convenience for front seat passengers ... easily removed for emptying. (7) (F)

Catalina Sedan Custom Exterior Trim ... that features bright metal door and side window moldings as well as a rear belt finish moulding. (7) (F)

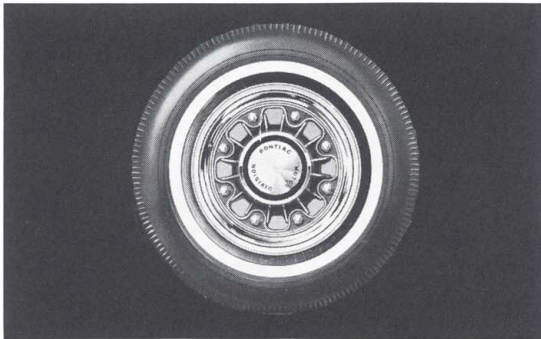

Catalina 6- and 9-Passenger Safari Custom Exterior Trim ... that features bright metal door window moulding, rear quarter and back window moulding. (7) (F)
