Li'l Wide Track^{T.M.}

Multi-Colored Custom
Accent Stripes.
Special Cast Aluminum
Wire Wheels.

Yes. This is Li'l Wide Track. The biggest little car in America. Love it a little. Drive it a lot. You've seen some of the special features. Also take a look at the styled quarter window louvers. See the chrome exhaust extensions. And remember this is a Pontiac.

Functionally styled Lower
Front Air Dam.
Integrated Rear Air
Deflector.
