

PONTIAC

Pontiac® GTO in Torrid Red.

## ***2005 Pontiac GTO***

Bringing back GTO® meant developing a sport coupe that could live up to the legendary name. This one does. A 6.0L Gen IV all-aluminum LS2 V8 powerplant pumps out 400 horsepower to make it the most powerful GTO ever built. Rear-wheel-drive with an independent rear suspension was a given. And an available Tremec close-ratio six-speed manual transmission was a given. Yes, GTO is back. And it will once again become the benchmark against which all performance coupes are judged.

Go to [pontiac.com/gto](http://pontiac.com/gto) to encounter its power firsthand.
