

1986 ELDORADO

Eldorado

THE CADILLAC PROMISE

Owning a Cadillac is a satisfying experience.

The pleasures come in sometimes
unexpected ways.

Such as noticing the golden keys just before
you turn the ignition.

Or having someone else notice.

Appreciating the state-of-the-art electronics
that serve one important function: to make
driving as carefree as you wish it to be.

Admiring contemporary road manners that
tame the twists and turns.

Without compromising legendary Cadillac
luxury and comfort.

Or the solid sound every time you close a door.

The security of safety features that surround
you mile after mile.

Above all, it's the feeling of
uncompromising excellence.

A tradition of quality and attention
to driver and passenger needs and demands.

Is it any wonder driving a new Cadillac is a
pleasure to be envied?

1986 Eldorado shown in Sable Black.

ELDORADO

State-of-the-art electronics...refined road manners...and legendary luxury can be summed up in one word.

Eldorado.

Totally redesigned and redefined for 1986 for functional simplicity, sporty elegance, and sheer driving pleasure.

Feel the sleekness of design...the soothing rewards of the Body Computer Module that anticipates your comfort needs...the exhilarating performance of a transverse-mounted V8 with front-wheel drive, a Cadillac exclusive...and the responsiveness of a new independent four-wheel suspension that contributes to Eldorado's superb handling.

Imaginatively new. Decidedly Cadillac. Eldorado for 1986.

ELDORADO

Enter Eldorado's luxurious electronic command center where microchip technology abounds.

As you slip into the new standard front bucket seats with lumbar support, notice the new Digital Instrument Cluster and Driver Information Center.

To your right you'll find the unique front floor console that incorporates the floor-mounted, four-speed automatic transmission shifter, a fold-down armrest, two storage compartments, and a rotating cup holder and spring-loaded coin retainer.

Now buckle up...and experience the unmatched luxury and excitement of the 1986 Eldorado.

WHAT MAKES A CADILLAC A CADILLAC.

It all began in 1902. A commitment to quality and excellence. As a result, for the past 37 years, more Americans have chosen to own Cadillac than any other luxury car.

Today, that commitment remains obvious in such traditional areas as fit, finish, materials, appointments, and craftsmanship.

But it now becomes evident, too, in state-of-the-art and leading-edge developments in safety and technology.

Traditional or advanced, however, the ultimate test of Cadillac quality and excellence is simply this: Does it contribute significantly to owner satisfaction?

That's what makes a Cadillac a Cadillac.

GOLD KEY DELIVERY SYSTEM.

Cadillac began the whole idea of nationwide automotive service back in 1926. It is only fitting, then, that today Cadillac has a system of preferential treatment you expect as a Cadillac owner: The Gold Key Delivery System.

Cadillac's Gold Key Delivery System begins with a thorough inspection of your Cadillac Eldorado—but that's not all. You also receive an orientation drive with your sales representative. A thorough explanation of your new Cadillac. An audio cassette of important information (factory-installed cassette tape player optional). And a full tank of fuel. Plus two sets of 23-karat gold-plated keys along with a personalized Gold Key Identification Card.

The Gold Key Card you receive as part of the Gold Key Delivery System provides important owner and vehicle information to help your service advisor schedule routine maintenance quickly and easily. And at your convenience, or at your first regularly scheduled maintenance visit, you can request an exclusive Gold Key vehicle inspection *at no additional charge*. Cadillac's Gold Key Delivery System. Unique in the luxury car field.

S A F E T Y

The quest for Cadillac quality never ends. For 1986, that quest has led to the largest offering of safety features in Cadillac history.

Let's Get It Together... Buckle Up.

Every new 1986 Cadillac delivered by a Cadillac dealer in the United States comes with a one-year, \$10,000 safety belt user insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.

A WORD ABOUT THIS CATALOG.

We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Cadillac dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CADILLAC PRODUCTS.

The Cadillacs described in this brochure are assembled at facilities operated by General Motors. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Cadillac products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Cadillac products and will provide the quality performance associated with the Cadillac name.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or if there are changes, that they are acceptable to you.

A WORD ABOUT ENGINES.

Cadillacs are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

UPDATED SERVICE INFORMATION

Cadillac regularly sends its dealers useful service bulletins about Cadillac products. Cadillac monitors product performance in the field. We then prepare bulletins for servicing our products better.

Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

FINANCING OR LEASING, IT'S AS EASY AS GMAC

The good feeling that comes when you buy or lease a new Cadillac can be enhanced when it comes to making the financial arrangements.

Which is why so many people finance with General Motors Acceptance Corporation. With GMAC, it's done right in the showroom. Terms are tailor-made to suit your personal needs. You can choose your own monthly payment date. And the rates are friendly as can be.

So when the time comes, just tell us "I want GMAC." We'll take it from there while you relax.

You'll be in good company. All told, nearly 100 million cars and trucks have been financed the GMAC way. The easy way whether you buy or lease.

THE CADILLAC COMMITMENT

We believe that when you buy or lease a Cadillac, you deserve to be treated like a Cadillac owner. And when you take your car in for service, you have the right to expect the type of consideration traditionally reserved for Cadillac owners. We intend to keep that tradition alive. **BEST OF ALL...IT'S A CADILLAC.**

BEST OF ALL...IT'S A CADILLAC.
