WHAT IF_
EVERY DAY WAS AN
ADVENTURE WORTH SHARING?

There's a big bright world out there, and with a little help from the 2015 Pathfinder,[®] you're ready to see more. You've got power and efficiency up front, and easy access for everyone, including a 2nd-row seat that slides and tilts.¹ Advanced technology puts your world at your fingertips and helps keep an eye out for your blind spots.² Best of all, it's a Pathfinder,[®] and that means legendary capability, and a feeling of real confidence at the wheel. So, whether it's the daily commute or a vacation you've been planning all year, load up, bring some friends, and move out. Your next adventure is waiting.

Nissan Pathfinder[®] Platinum shown in Java Metallic with Roof Rail Crossbars and Splash Guards.

¹Slide forward function should not be performed with the CRS occupied. ²Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you.

Plan an extended stay. Pathfinder® surrounds you with premium comforts, including standard Tri-Zone Automatic Temperature Control, available heated and cooled front seats, and heated 2nd-row seats. Add in an available dual memory seating system and a Bose® premium audio system, and you truly have luxury accommodations – without any reservations.

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment.

Bose® is a registered trademark of The Bose Corporation.

BECAUSE YOU HAVE A LOT MORE WORLD TO SEE.

Nissan Pathfinder® Platinum shown in Gun Metallic with accessory Roof Rail Crossbars and Splash Guards.

Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

BECAUSE EVERYONE SHOULD COME ALONG.

In Pathfinder,[®] capability goes way beyond taking on rugged conditions, it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger room,^{1,2} including a 2nd row that slides over five inches for stretch-out room and the only 3rd-row reclining seat in its class.^{1,3,4} And with premium features like an available Dual Panorama Moonroof and standard rear A/C, this is one time where one size fits all beautifully.

Nissan Pathfinder[®] Platinum shown in Almond Leather with optional equipment.

¹Ward's Large Cross/Utility Market Segmentation. 2015 Pathfinder[®] vs. 2015 and 2014 Large Cross/Utility Class. ²Cargo area excluded. ³Slide forward function should not be performed with the CRS occupied. ⁴Passengers should not ride in the reclined position while the vehicle is in motion. Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

Tilt, slide, and hop right in! Click the button to see EZ Flex® Seating System in action, go to bit.ly/ezflexseating15

NISSAN EZ FLEX® SEATING SYSTEM INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION.

Wouldn't it be cool if getting to any seat was easy? With the innovative EZ Flex® Seating System, the 2nd row glides and tilts forward for easy access to the spacious rear seat. And once you're in the 3rd row, you'll find it's exceptionally comfortable, thanks to class-exclusive reclining seats.^{1, 2, 3}

Pathfinder®'s family-friendly, too. With Pathfinder®'s LATCH AND GLIDE® technology, you can even tilt and slide the right side of the 2nd row with a child seat in place.¹

¹Slide forward function should not be performed with the CRS occupied. ²Ward's Large Cross/Utility Market Segmentation, 2015 Pathfinder® vs. 2015 and 2014 Large Cross/Utility Class. ³Passengers should not ride in the reclined position while the vehicle is in motion.

MAKING ROOM FOR UNFORGETTABLE MOMENTS.

Fold-flat Rear Seats

Cargo? Pathfinder® makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space.¹

Under-floor Storage

There's also an under-floor storage area that keeps valuables out of sight. It's easily accessed even when the 3rd row is upright, for extra cargo space when you've got seven on board.¹

Power Liftgate

Easy loading comes at the touch of a finger. Pathfinder®'s available power liftgate can be opened from a button located on the liftgate, on the dashboard near the driver, or on your Intelligent Key.

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

GETTING A GREAT VIEW WHEREVER YOU LOOK.

Family Entertainment. It's hard to please everyone, but with Pathfinder's available Tri-Zone Entertainment System, you actually can.¹ The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system's 8" VGA screen. And with those in back wearing wireless headphones, you can adjust the 13-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

Advanced Navigation. So much more than just maps, Pathfinder's available touch-screen Nissan Navigation System gives you live traffic and weather updates to keep you in the know.^{2,3}

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder's available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!⁴

Advanced Drive-Assist® Display. From trip computer to 4WD torque distribution, the Advanced Drive-Assist® Display serves up info right in front of you – helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.

¹Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³Required SiriusXM® Satellite Radio, NavTraffic® and NavWeather® subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic® available in select markets. Satellite Radio U.S. service and NavWeather® service available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2014 Sirius XM Radio Inc. Sirius, XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁴Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Bose® is a registered trademark of The Bose Corporation. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included.

Click the button to see how the Tri-Zone Entertainment System makes everyone a happy camper at bit.ly/trizone15

Click the button to see how does Nissan's CVT transmission keep you in the sweet spot? Go to bit.ly/smoothcvt15

OUTSTANDING FUEL ECONOMY WITH BEST-IN-CLASS STANDARD TOWING – THAT'S ONE GREAT CATCH.^{1, 2}

Efficiency, brought to you by the Next-Generation Xtronic CVT.[®] With Pathfinder[®]'s class-exclusive Xtronic CVT[®] transmission,¹ you have a virtually gearless wonder. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don't. Proof? How about an impressive 20 MPG city, 23 MPG combined, and 27 MPG highway.³

Power, Courtesy of a 3.5-L V6 Engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder[®] takes it on with 260 hp of 3.5-L V6 muscle and a CVT that knows the engine's sweet spot for the power you need, letting you tow up to 5,000 lbs.² – the highest standard towing rating in its class.¹ And if you tow frequently, consider the available Towing Package (see Specifications).

3.5-LITER V6
260 HP
240 LB-FT TORQUE
5,000 LBS. MAXIMUM TOWING²

¹Ward's Large Cross/Utility Market Segmentation. 2015 Pathfinder[®] vs. 2015 and 2014 Large Cross/Utility Class. ²See Nissan Towing Guide and Owner's Manual for proper use. May require additional equipment. ³2015 EPA fuel economy estimate of 20 city, 27 highway and 23 combined MPG for 2015 Pathfinder[®] 2WD. Actual mileage may vary with driving conditions – use for comparison purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Click the button to see how this awesomely capable 4WD system comes to grips with your day at bit.ly/nissan4wd15

CONFIDENCE AT YOUR FINGERTIPS.

Intuitive 4WD. With Pathfinder®'s All-Mode 4x4-i, you've got a system that's capable on-road and off. And it's the only vehicle in its class with selectable driving modes.¹ You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice. And when your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline.

Balance of Power. The Advanced Drive-Assist® Display illustrates the Pathfinder® dividing the power between the front and rear axles, helping to give you the available traction and control you need.

Ups and Downs. When your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline. Hill descent control helps make going down steep grades more manageable by automatically adjusting your speed and brake pressure to help keep you going at a controlled speed.

Nissan Pathfinder® Platinum shown in Cayenne Red with accessory Roof Rail Crossbars and Splash Guards.

¹Ward's Large Cross/Utility Market Segmentation. 2015 Pathfinder® vs. 2015 and 2014 Large Cross/Utility Class.

Fear no parking space with Pathfinder®'s amazing AroundView® Monitor!¹ Click the button to see more at bit.ly/pathfinderavm15

NISSAN AROUND VIEW® MONITOR!¹ IT'S GOT YOUR BACK. AND THE REST OF YOU, TOO.

What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's directly behind you. That's why Pathfinder® offers a class-exclusive Around View® Monitor.^{1,2} Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.³ And new for 2015, Rear Cross Traffic Alert helps keep an eye around the rear of your Pathfinder® and can warn you about moving vehicles detected in your vicinity.⁴

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.
²Ward's Large Cross/Utility Market Segmentation. 2015 Pathfinder® vs. 2015 and 2014 Large Cross/ Utility Class. ³Virtual composite 360° view. ⁴Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details.

RIGHT ON THE NOSE

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

COMPLETE THE PICTURE

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.³

SPARE YOUR WHEELS

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

NO MORE BUMPER CARS

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies are designed to help monitor conditions. Like a warning to let you know that a vehicle might be in your blind spot, or a system that helps ensure you're travelling on properly inflated tires.

Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert^{1,2}
TPMS lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.

Available: Smart Auto Headlights, Around View® Monitor,³ RearView Monitor,³ Rear Sonar System⁴

1. Blind Spot Warning (BSW)⁵ Available BSW turns on a warning light if a vehicle is detected in the blind spot area, and sounds a warning tone if you signal to change lanes.

2. Rear Cross Traffic Alert (RCTA) When your Pathfinder® is in Reverse, available Rear Cross Traffic Alert helps to warn you of moving vehicles from either the left or the right side of the rear of your vehicle.⁶

Blind Spot Warning

Rear Cross Traffic Alert

Image is for illustrative purposes only and actual coverage may differ. ¹TPMS is not a substitute for regular tire pressure checks. ²Vehicle must be on for the Easy-Fill Tire Alert to operate. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ⁵Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁶Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁷VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁸Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ⁹Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.⁷

Traction Control System (TCS) helps reduce wheelspin in low-traction situations.

Anti-lock Braking System (ABS) helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.⁸

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

6 STANDARD AIR BAGS⁹

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors⁹

Front seat-mounted side-impact supplemental air bags⁹

Roof-mounted curtain side-impact supplemental air bags with rollover sensor⁹

LATCH System (Lower Anchors and Tethers for Children)

snuggly-kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snuggly Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugglyKids.

Click the button to see a short video on how Snuggly Kids® helps you find the right CRS for your Nissan, go to bit.ly/NissanSnugglyKids

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by dealer at the time of purchase),¹ and can be financed when installed by dealer at time of purchase.

A. Auto-dimming Rearview Mirror with HomeLink® and Compass
Brights on behind you? Here's the answer.

B. Stainless Steel Rear Bumper Protector
Protect your bumper from dings and scratches in style.

C. Towing Package²
If you're going to get hitched, do it right.

D. Interior Accent Lighting
Starts every trip with a warm glow.

E. Rear Cargo Cover³
If they can't see it, they won't want it.

F. Dual Head Restraint DVD Monitors
Happy campers are quiet campers.

G. All-season Floor Mats (4-piece set)
Happiness is carpet that looks brand new.

H. Illuminated Kick Plates
For a grand entry, every time.

Additional Accessories:

- Under-floor Storage Dividers³
- Cargo Area Protector³
- Cargo Net³
- Remote Engine Start System⁴
- Carpeted Floor Mats (4-piece set)
- Hatch Tent
- And More

¹Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²See Nissan Towing Guide and Owner's Manual for proper use. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁴State laws may apply; review local laws before using. HomeLink® is a registered trademark of Gentex Corporation.

TAKE READY TO THE NEXT LEVEL.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about eligibility for our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/ 36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green
